

Pairs

1. Cut the cards out. Shuffle all the cards.
2. Lay out all the cards, placing each with the picture faced down.
3. Flip two cards over at a time.
4. If one card shows a picture and the other card shows the same picture, they are the player's for keep; otherwise, flip them back again.
5. Continue till all matching pairs are found.
6. The winner is the one who makes the most pairs.
