Tennis Patterned Pages

Serve up some unique scrapbook pages with these unique tennis patterned pages and layout. Tennis players will love to be featured on a scrapbook page or photo frame with these patterned pages. Subtle and sophisticated, these colour and design coordinated patterns will inspire your creativity and provide scores of options for creating memorable, personalized projects. There's also a scrapbook layout that you can download and easily personalize by simply adding your own photos and text. Get them all FREE from Creative Corner.

Materials Suggested:

- Paper: 12 x 12" PremierArt™ Matte Scrapbook Photo Paper for Epson, Epson Matte Paper Heavyweight (A4) or Epson Double-Sided Matte Paper (A4)
- An Epson Stylus Photo printer

Check if your printer supports the paper suggested on the Epson website: www.epson.com.au

Patterned pages to download:

These are full pages of themed designs that can be used for wrapping paper, greeting cards, party favours or photo mattes for your favourite adult birthday-themed photos. To print a patterned page - select your choice of background patterns and download. All are documents in jpeg format that can be printed in any size from 4" x 6" to 12" x 12".

Tennis-Themed Patterned Pages:

Step 1: Click on a favourite pattern to open as a .jpg, or import it into your preferred program. If you want to print 12" x 12" you will need a wide format printer such as the Epson Stylus Photo 1410 (for 12" x 12" edge-to-edge printing), and 12" x 12" PremierArt™ Matte Scrapbook Photo Paper for Epson.

Step 2: After you click "Print", click on "Yes" to continue printing even though the margins are set outside the printable area of the page. The printer will adjust to fill the size you have selected.

Tennis-Themed Scrapbook Pages:

Step 1: Click on the provided background pages to open as .jpps, or import into your preferred layout or photo editing program.

Note: In order to print the 12" x 12" size page, you will need to use a wide format printer, such as the Epson Stylus Photo 1410 (for 12" x 12" edge-to-edge printing), and 12" x 12"

PremierArt™ Matte Scrapbook Photo Paper for Epson.

Step 2: Open or import the coordinating files and embellishments (in .png format) and add them to your layout. Use the project photo as a guide for your pages. Add your digital photos and crop or size to fit.

Step 3: Personalize your pages with headlines, names and journaling.

Step 4: Your personalizing is complete! Print your pages. Remember to choose the correct paper size and paper type setting in your printer driver.

Step 5: Embellish your pages if desired.

Note: For maximum archivability, we recommend printing your pages onto PremierArt™ Matte Scrapbook Photo Paper for Epson. Printed with Epson inks and stored in an album, your pages will last up to 200 years, so that all of your efforts can be enjoyed for generations to come.
